# BIK OPEN API – PILOTAGE

What should be the location of the sports shop/business?

What are we looking for:

- The radius of the area of 500m
- The area brings together a lot of people who are active in sports and are interested in sport and health
- Lots of multi-family buildings
- Far away to chain sports stores

Selected area with a radius of 500m from

**ul. Mieszkalna 61**

Number of multi-family buildings	99
Share of people active in sports	43%
Share of people interested in sport	34%
Share of people interested in health	24%
Distance from the sports chain store	4,280m
Annual inhabitants' spending on health	599K
Annual inhabitants' spending on recreation and culture	747K
Number of inhabitants	7.7K

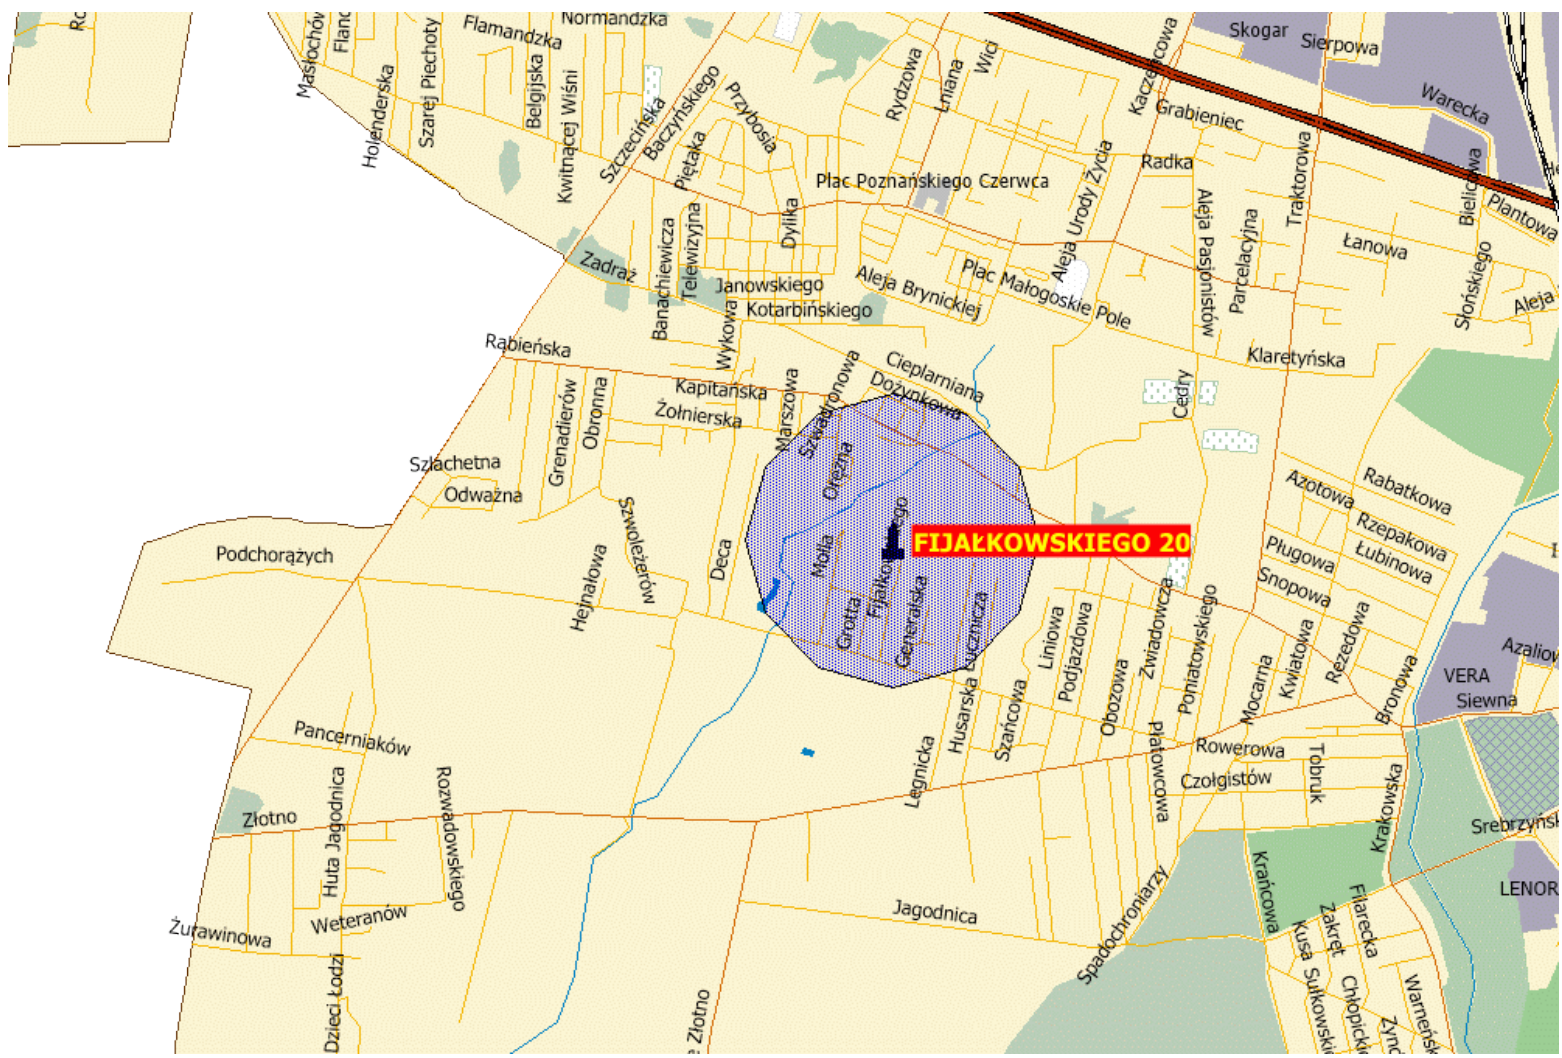

# BIK OPEN API – PILOTAGE

Where is the target for good borrowers?

## What are we looking for:

- The radius of the area of 500m
- High average cash loan amount
- Good CR3 (BIK) scoring
- Low loss ratio on loans (DPD 90+)
- High consumer spending
- High net income
- Large share of online shoppers

Selected area with a radius of 500m from  
[ul. Fijałkowskiego 20](#)

Average cash loan amount	37.5K
CR3 (BIK) Scoring	74
Loss ratio on loans (DPD 90+)	0.1%
Consumer spending/person	1.6K
Net income/person	2.3K
Share of online shoppers	67%
Distance to a parcel pick-up station	400 m

# BIK OPEN API – PILOTAGE

Where should the ad/billboard with the ad of a car be placed?

## What are we looking for:

- The radius of the area of 500m
- The area brings together lots of drivers
- Close to a sports facility
- Close to a petrol station

## Selected area with a radius of 500m from

**ul. Norwida 7**

Share of drivers	37%
Distance to a sports facility	99 m
Distance to a petrol station	650 m
Share of those interested in automotive	9%
Geoscore BIK scoring	85

Distance to:	
Chain store – supermarket	610
Distance to a chain store – discount food store	590
